

Weekly Communication *Friday 14th May 2019*

Dear Families,

Here is our weekly update,

NSPCC

On Monday, we welcomed a lady from the NSPCC who spoke to the children about bullying and abuse in a child friendly way with the help of their mascot, Buddy. Apologies for having to cancel the bike/scooter event but this was unavoidable due to the bad weather. We will reschedule this for next week and will send a text out the night before once we know that the weather is going to be fine. Sponsorship money will now be collected on Friday 12th July.

British Wildlife Centre - Robins

On Tuesday, Robins went to The British Wildlife Centre where they enjoyed a fantastic day in the sunshine. They were able to view lots of different animals and got to see the settings that reflect their natural environment.

Father's Day Breakfast

Yesterday morning, dads and other family members were able to join their children in their classroom environment and take part in some fun activities. The morning was a great success!

Summer Music Concert

Yesterday evening, the choir performed in their annual summer music concert. There were also lots of other performances from children who play musical instruments which made for a fantastic evening. A big thank you to Mrs Francis who organised the amazing event.

Car Park

Just a reminder that the car park is for staff ONLY and for parents who have been given pre-arranged special permission. Parents should not be entering the car park, even if the gates are open, to drop off children to early morning maths or breakfast club. Please note that the disabled parking bays are for blue badge holders ONLY at all times of the school day.

Supervision

All children are the responsibility of their parent/guardian in the playground before and after school and should be supervised at all times. Please note that KS1 children should not be playing on the KS2 climbing frame or sports equipment at any time.

Week commencing Monday 17th June 2019

***Lunch Menu Week 3 ***
