End of Year Expectation Booklets

Dear Parent / Carer,

You will be aware that the National Curriculum has undergone significant changes over the last couple of years and this has included a rise in the expectations for pupils by the end of their primary school education.

With this in mind, we have created a series of booklets as a guide for parents to share the expectations for each year group and ensure, with your support, that each child achieves their potential. The booklets outline the key expectations in Reading, Writing and Maths for each year group and by the end of the year if your child is able to meet all of these expectations they will be working at the expected standard and ready to fully access the next year's curriculum.

The booklets will just appear as text when opened to view on a computer but when printed, if you print two pages on one sheet, will print as a booklet.

We are very grateful for all of the support that you continue to provide towards your child's education and there is no doubt that this support enhances the work that we do in school.

We hope you find these booklets useful in supporting your child and, if you have any questions, do not hesitate to contact myself or your class teacher.

Kind Regards,

Sarah Syradd
Deputy Headteacher & Assessment Leader
