## P.E Funding Statement 2019-20

**Total PE and Sport funding for the current academic year 2019 will be £18,180. This is calculated using a single payment of £16,000, followed by an additional £10 per pupil. We have calculated our pupil numbers for the 19/20 academic year to be at 218.**

**7/12 of this funding will be received by October (£10,605)  
With 5/12 following in April (£7,575).**

**This funding is now guaranteed until 2020 and is ring fenced.**

### **Brief overview of PE and sport provision, including facilities in the school (prior to funding)**

Sport has always been an important part of the Education provision provided at Greenvale. P.E lessons at Greenvale are taught by class teachers who work alongside a P.E specialists. Staff have had CPD on various aspects of PE, resources were well stocked and a large number of clubs were in place. The school has always entered Croydon leagues and taken part in sports festivals. The school has benefitted greatly from having a trampolining and gymnastic coach over the past ten years. Gymnastics and Trampolining lessons are rotated throughout the year to enable the specialist to work alongside staff and enhance P.E teaching throughout the school.

### **The Physical Environment**

#### **Indoor Provision**

Greenvale has a large hall in which PE lessons take place. This is equipped with two wall bar frames, three trampolines and a variety of equipment used during P.E lessons. The hall is also used by extra-curricular club providers to run before and after school clubs for Greenvale pupils such as gymnastics and tennis.

#### **Outdoor Provision**

When the weather is suitable, we try to make use of our outdoor space which includes two netball courts, and two large playing fields. On the lower field is a trim trail which is used frequently in the summer months by those lower down the school and also has an athletics track and long jump pit. The school has a history of hosting a number of events for schools in the local cluster, including cross country and football tournaments.

# Greenvale Primary School

## **Current Provision at Greenvale:**

**Football** – The school enter the school football league and two cup competitions each year, and won the local league competition during the 17-18 and 18-19 academic years. The team have a history of doing very well in competitions and have had a number of pupils represent the school (boys and girls) at district level. We have three boys representing the district team for the current academic year. The school has an external provider provide after school provision for Rec-Y4, and the school run an after school club for years 4-6.

**Girls' football** – Girls are invited to attend the football club after school each week and partake in fixtures during the Summer term. One of our girls in Year 6 has been selected to play for the Croydon district team during the 18-19 season. Over the past year, the school have worked closely alongside Crystal Palace Football club to promote football amongst girls in year 2 and 3.

**Netball** – The school have a long history of entering the league and performing well against other local larger and independent schools.

**Trampolining** – The school continue to provide trampolining as part of the curriculum at Greenvale. Children work hard each year to develop sequences to achieve badges that are presented during assemblies. An after school club runs once a week. A number of Greenvale pupils partake in competitions outside of school.

**Gymnastics** – The school provide gymnastics as part of the curriculum. Children are also able to attend an after school club should they wish to develop their skills further. In the summer of 2019, a number of children represented the school in a competition against another local school. A number of children were rewarded with medals and trophies for their performances. This is something we hope to repeat during the 19/20 academic year.

**Swimming** – The school enter the annual swimming competition and had around 30 pupils represent the school. Each year, a few pupils make it into the finals which is a fantastic achievement.

**Rounders** – The school holds an after school club during the summer term and competes against local schools.

**The Daily Mile** – This year, a number of classes are trialling 'The Daily Mile' to not only improve physical fitness but also to improve focus and academic achievement within the classroom.

# Greenvale Primary School

**Athletics** – The school has a long history in taking part in competitions against other local schools. Pupils take part in the annual Croydon Sports athletics competition and regularly perform well. Last year one of our pupils came 2<sup>nd</sup> in Croydon in the Y5 boys' sprint which was a fantastic achievement.

**Tag rugby** – Pupils are able to take part in tag rugby after school club which runs once a week. We will look to enter a competition over the forthcoming year to provide our pupils with some competitive experience.

Other clubs that are run by the school:

Tennis (MDL coaching)  
Taekwondo

We also have a number of pupils who have gone on to achieve success in out-of-school clubs, including football, martial arts, rugby and dance.

## **Ex-Pupils who have gone on to achieve success in recent history:**

Stefan Amokwandoh – Represents the country at triple jump.  
Samuel Keefe – Signed for Charlton FC  
Aron Sasu – Signed for AFC Wimbledon  
Jade Davenport – Crystal Palace ladies

## **School PE and sport development priorities based on our school context and identified pupil need.**

- To continue to create provision for able and talented children in sport. This includes developing their all round sporting ability and ensuring they have good access to clubs outside of school.
- To continue to give all children the opportunity to take part in intra school competitions, some the opportunity to take part in inter school competitions and where possible support those representing the borough, county or national teams in sport.

# Greenvale Primary School

- To be able to continue to provide trampolining and gymnastics lessons throughout the school.

**Quality assurance. What systems are in place to ensure value for money and the involvement of the school leadership team in overseeing the effectiveness of the projects?**

The Head teacher oversees all sport provision alongside the P.E coordinator. P.E funding is also discussed during curriculum committee meetings.

## **Sustainability**

The school strives to ensure that the funding provided allows the school to be sustainable in its approach towards PE and ensuring that it remains to have a high profile at the school. The school will aim to do this by ensuring that staff are provided with high quality training, enabling them to improve and develop their teaching of PE. The PE leader regularly audits resources to ensure that pupils have access to high quality PE equipment and facilities during lessons.

## **Swimming**

At the end of the 18/19 academic year, 74% of Y6 pupils were able to swim 25 metres (Front and back stroke).

All pupils took part in lifesaving sessions with 32% of pupils going onto complete the lifesaving award.

**Below is a breakdown of the spending for the academic year 2019/20.**
