The Greenvale Offer:

National Curriculum:

Pupils learn the knowledge and skills required of them to be academically successful, building upon their individual starting points.

Inclusion / Diversity:

At Greenvale we strive to ensure that every member of our school has equal access to our curriculum. Where necessary, activities are adapted to meet these needs so that all are able to succeed in what they do.

Greenvale champions diversity, ensuring that our curriculum is reflective of our community.

Values:

Pupils are able to apply our six school values to all aspects of our curriculum. These values form the foundation of our learning at Greenvale.

Our school values consist of:
Respect, Kindness, Co-operation, Responsibility, Resilience and Courage.

Community:

We are a hub of our local community and seek opportunities to enhance our offer where possible.

This includes links to our Forest School, The ARC Centre, places within our local community as well as the use of visits / visitors to broaden and develop opportunities and experiences for our children.
