Greenvale is a one form of entry school, situated on the outskirts of Croydon on a large site with extensive outside green space. The school benefits from having a Forest School and close relations with The ARC, an exotic animal centre who run educational sessions for children. We pride ourselves on the high expectations and strong family atmosphere which was picked up upon in our latest Ofsted report (2017).

We have a very experienced and committed staff that are always keen to develop themselves and provide support to colleagues where necessary. We offer lots of opportunities to develop your career as a teacher and a leader through local CPD and links with local schools.

We achieved ‘good’ in our last Ofsted inspection in June 2017. The Ofsted inspectors remarked that “*teachers have high expectations of what pupils can accomplish*” and that the school was incredibly welcoming and provided a safe environment in which the pupils are able to learn.
