

Greenvale Primary School

P.E Funding Statement 2022-23

Total PE and Sport funding for the current academic year 2022-23 will be £18,180. This is calculated using a single payment of £16,000, followed by an additional £10 per pupil. We have calculated our pupil numbers for the 22/23 academic year to be at 218.

7/12 of this funding will be received by October (£10,605)
With 5/12 following in April (£7,575).

This funding is now guaranteed until 2023 and is ring fenced.

Brief overview of PE and sport provision, including facilities in the school (prior to funding)

Sport has always been an important part of the Education provision provided at Greenvale. P.E lessons at Greenvale are taught by class teachers who work alongside a P.E specialist. Staff have had CPD on various aspects of PE, resources were well stocked and a large number of clubs were in place. The school has always entered Croydon leagues and taken part in sports festivals. The school has benefited greatly from having a trampolining and gymnastic coach over the past ten years. Gymnastics and Trampolining lessons are rotated throughout the year to enable the specialist to work alongside staff and enhance P.E teaching throughout the school.

The Physical Environment

Indoor Provision

Greenvale has a large hall in which PE lessons take place. This is equipped with two wall bar frames, three trampolines and a variety of equipment used during P.E lessons. The hall is also used by extra-curricular club providers to run before and after school clubs for Greenvale pupils such as gymnastics and tennis.

Outdoor Provision

When the weather is suitable, we try to make use of our outdoor space which includes two netball courts, and two large playing fields. On the lower field is a trim trail which is used frequently in the summer months by those lower down the school and also has an athletics track and long jump pit. The school has recently invested in some additional playground equipment to improve children's upper body strength as well as a climbing frame for the field for use during the summer months. The school has a history of hosting a number of events for schools in the local cluster, including cross country and football tournaments.

Current Provision at Greenvale:

Football – The school enter the school football league and two cup competitions each year, and won the local league competition consecutively over the past three academic years as well as winning the Small Schools' Cup in 2020. The team have a history of performing well in competitions and have had a number of pupils represent the school (boys and girls) at district level.

Greenvale Primary School

The school has an external provider delivering after school provision for Rec-Y4, and the school run an after school club for years 4-6.

Girls' football – Girls are invited to attend the football club after school each week and partake in all football fixtures. The school has worked closely with Crystal Palace football club to provide sessions to girls in Year 2 and Year 3. During the 22-23 academic year, Greenvale will be working with the Crystal Palace Foundation to provide girls' football for pupils in KS2.

Netball – The school has a long history of entering the league and performing well against other local larger and independent schools. After an absence of around 5 years, the school will return to playing competitive netball in the league during the 22-23 academic year.

Trampolining – The school continues to provide trampolining as part of the curriculum at Greenvale. Children work hard each year to develop sequences to achieve badges that are presented during assemblies. A number of Greenvale pupils partake in competitions outside of school.

Gymnastics – The school provides gymnastics as part of the curriculum. Children are also able to attend an after school club should they wish to develop their skills further.

Swimming – The school shares a good relationship with Croydon High School and provides pupils in Year 5 with a year's swimming teaching. Children are placed into groups based on their confidence and take part in annual swimming competitions.

Rounders – The school holds an after school club during the summer term and competes against local schools, hosting the tournament for Croydon in Summer term of 2022.

The Daily Mile – This year, a number of classes are trialling 'The Daily Mile' to not only improve physical fitness but also to improve focus and academic achievement within the classroom.

Athletics – The school has a long history in taking part in competitions against other local schools. Pupils take part in the annual Croydon Sports athletics competition and regularly perform well. Last year we had around 20 children representing the school in total with around 6 making it through to the finals.

Tag rugby – Pupils are able to take part in tag rugby after school club which runs once a week. We will look to enter a competition over the forthcoming year to provide our pupils with some competitive experience.

Other clubs that are run by the school:

Tennis (MDL coaching)
Taekwondo

Greenvale Primary School

We also have a number of pupils who have gone onto achieve success in out-of-school clubs, including football, martial arts, rugby and dance.

Ex-Pupils who have gone onto achieve success in recent history:

Stefan Amokwandoh – Represents the country at triple jump.

Samuel Keefe – Signed for Charlton FC

Aron Sasu – Signed for AFC Wimbledon

Jade Davenport – Crystal Palace ladies

School PE and sport development priorities based on our school context and identified pupil need.

- To continue to create provision for able and talented children in sport. This includes developing their all round sporting ability and ensuring they have good access to clubs outside of school.
- To continue to give all children the opportunity to take part in intra school competitions, some the opportunity to take part in inter school competitions and where possible support those representing the borough, county or national teams in sport.
- To be able to continue to provide trampolining and gymnastics lessons throughout the school.

Quality assurance. What systems are in place to ensure value for money and the involvement of the school leadership team in overseeing the effectiveness of the projects?

The Head teacher oversees all sport provision alongside the P.E coordinator. P.E funding is also discussed during curriculum committee meetings.

Sustainability

The school strives to ensure that the funding provided allows the school to be sustainable in its approach towards PE and ensuring that it remains to have a high profile at the school. The school will aim to do this by ensuring that staff are provided with high quality training, enabling them to improve and develop their teaching of PE. The PE leader regularly audits resources to ensure that pupils have access to high quality PE equipment and facilities during lessons.

Greenvale Primary School

Swimming

At the end of the 22/23 academic year, 81% of Y5 pupils were able to swim 25 metres (Front and back stroke).

Below is a breakdown of the planned spending for the academic year 2022/23.

Use of Funding	Provision	Success criteria (based on impact on pupil outcomes)	Cost
Buying in a trampolining / gym instructor for 2 days a week.	Each class receives a trampolining session once a week.	Pupils develop a love for trampolining and remain fit and agile. Pupils perform a display at the end of each year to parents. Staff work alongside the PE specialist to develop their subject knowledge and teaching of the P.E curriculum. They will use this knowledge to help them plan their own PE lessons.	£10,379
Enter local leagues for football and netball.	Pupils at the top of KS2 are able to represent the school in sporting competitions.	Annual affiliation fees paid to play in football, netball leagues.	£150
Maintenance of existing PE equipment	New piece of equipment / line markings for the playground	Children use the equipment and are encouraged to be more active during playtimes. Purchase of new mats for the hall Replacement of coverings for table / horse	£8000

Greenvale Primary School

		(See Playdowns quotation summer 22)
