

Weekly Communication Friday 12th July 2019

Dear Families, Here is our weekly update,

Gymnastics

Well done to all of the children from Greenvale who competed in a gymnastics competition last Sunday. They were all fantastic and many of them received medals for their efforts.

Sports Day

I think everybody will agree that yesterday was a brilliant day for all of the children, adults and staff. The children were amazing and showed great team work and sportsmanship when cheering each other on during all of the races. Well done to Oak who were the overall winners this year!

Year 1 Bay Ponds

Year 1 went to Bay Pond in Godstone this morning, where they visited the Surrey Wildlife Centre. They participated in two activities, 'Wonderful Plants' and 'Pond Life' which fits in with their last topic of the term, 'Our World'. The children looked at the plants, animals and birds in their local environment and were all so well behaved throughout the day.

Year 6 Dress Rehearsal

This afternoon, Year 6 performed their play in front of parents, grandparents, family friends and the entire school! It was the first time that they had performed in front of an audience which made it all the more exciting. Everybody who watched thought they were absolutely amazing and also commented on how well behaved the rest of the school were whilst watching them - especially the Robins!

[Greenvale Garden](#)
We would be extremely grateful for volunteers to help with the watering of the vegetables and herbs in the raised beds over the summer holidays. Please email parents@greenvale.croydon.sch.uk if you are able to help.

Lost property
Lost property has now been moved to the 'Sunflower Garden' to make it easier for parents to search for lost items. Please help yourselves at drop off/pick up times.
