

Dear Families,

We hope that you are all looking forward to the children returning to school on Monday as much as we are. It has been an incredibly strange time and school has not been the same without our whole community in it. We want to thank you all for your hard work and support since January, you have all done an amazing job! Please remember that ALL adults must wear a face covering when on the school site, unless you are exempt.

World Book Week

This week was World Book Week. We celebrated in a slightly different way but the children enjoyed all of the fun opportunities to engage in reading activities. Thank you for supporting this and for encouraging the children to continue to read during lockdown. Books are so incredibly powerful and important!

You should have received the digital World Book Day voucher by email. These vouchers are worth £1 and you can use them to buy the special World Book Day books or put them towards the cost of a more expensive book.

Amazon Wish Lists

Thank you to all of the parents who have purchased items from the class wish lists so far. Lots of new and exciting non fiction books have now been added to help with class IPC topics. If you would like to purchase an item please click on your child's class. [Robins](#), [Year 1](#), [Year 2](#), [Year 3](#), [Year 4](#), [Year 5](#) and [Year 6](#).

Clothing Bank

The new clothing bank has been very well received and has had to be emptied once already! Please can we ask that ALL items are put in bags to make it easier for collection. Please do not leave any bags on the floor next to the bank if it is full. Please DO NOT put books in the bank as these can be donated to the Friends of Greenvale (FOG) Second Hand Book Shop when it is open again, hopefully the weekend of 17th April.

PPG

We are aware that lots of people's situations may have changed over the past few months due to Covid-19. If you believe that you may be eligible for 'The Pupil Premium Grant' please complete the online form [here](#). Pupil Premium funding is used by the school to support students and help them reach their full potential academically, through extra curricular and pastoral provision.
